Dear JL:

That's terrific! I have not followed up on the Stamp Building but you certainly can make an inquiry. I am sure that there will be lots of community members present at the meeting from the Hollywood Hills, Hollywood, et al. Just to let you know that there was an officer involved shooting this morning in Hollywood - not sure if that will be covered or not - Could be a large attendance. Many topics will be covered and these meeting tend to be a bitch session. They are all complainers.

Report back and let me know. I went to the other community meeting in April for 2 hours.

Best

Hi Lisa,

I'm planning on going to the town hall meeting tonight but I wanted to know if I should be discussing the stamp building issues or if the nuisance abatement filed is still in play.

Let me know.

Thank you,
